Where photo ID cards are in use, the person presenting the ID card need not be pictured on the card. Public or private nonprofit homeless meal providers redeeming detached coupons through retail food stores shall present their retailer authorization card as proof of their eligibility to redeem coupons through retail food stores.

(i) *Checking meal delivery service recipients.* A nonprofit meal delivery service shall require the recipient of a delivered meal to show the marked ID card establishing the recipient's right to use coupons for that service the first time that the recipient offers coupons in payment for the service, and shall request the marked ID card at any time the nonprofit meal delivery service has cause to question the continued eligibility of the recipient to use coupons for delivered meals.

(j) *Checking hunting and fishing equipment users.* Authorized Alaskan retailers shall require coupon customers wanting to purchase hunting and fishing equipment with coupons to show their ID cards to determine that they live in an area designated by FNS as one in which persons are dependent upon hunting and fishing for subsistence.

(k) *Checking participants in restaurants.* A restaurant operating under a State contract shall require a household purchasing meals to show the marked ID card establishing the household's right to purchase meals with coupons unless the personnel of the restaurant know that the program par-

(l) *Checking public or private nonprofit homeless meal provider recipients.* Public or private nonprofit homeless meal providers shall establish a food stamp patron's right to purchase meals with coupons.
